### State Fair Grounds Leased.

The Executive Board of the Agricultural Society has leased, subject to the approval of the Board of Directors of the Society, the Fair grounds to the University Experiment Station for a term of years, subject to renewal, and reserving all the rights necessary for its uses and purposes in connection with its fairs and agricultural exhibitions. The Experiment Station is to care for the grounds, keep the property in form and beautify the same by planting trees and making such other improvements as will tend to adorn the grounds and make them more attractive for the purposes of the society. The Experiment Station is to keep in repair the fences upon the grounds, and make such other structures as may be required from time to time by the society for its uses and is to keep the building in order during fairs and at other times. The full details will be subsequently arranged.

Judge Wm. Webster has been appointed to carry into effect the action of the Executive Committee, subject to the approval of the Board of Directors.

### Don't Forget It.

Saturday night will close the Bankrupt Shoe Store. An extra reduction will be made during the next three days, besides the 50 per cent off, which will bring shoes down to nothing. Don't delay if you want shoes, as Saturday is positively the last day.

Last Monday and Tuesday evenings, two smart Alecks, with sheets wrapped around them, essaying the part of ghosts, pranced around in several localities about town trying to scare people, and in several instances did scare them, particularly so in the case of a little girl, who has not yet fully recovered from her fright. Had these fellows walked around on Wednesday evening they doubtless would have received a charge of bird shot from the barrel of a gun, as several exasperated persons were on the lay for them.—Sentinel.

The system by which people who purchase goods of Abe Cohn draw down \$50 checks at irregular intervals, has caused a big run at the store, and most of the members will go home armed in Abe Cohn's best tailor made suits. One man declines his suit, however, after it was finished, on the ground that it looked so fine that the people in his section might think he had sold out.
